Lord's Prayer

By a 15-year-old student. Who wrote her version of the Lord's Prayer and got an A+ for this entry

Now I sit me down in school

Where praying is against the rule

For this great nation under God

Finds mention of Him very odd

If scripture now the class recites,

It violates the Bill of Rights.

And anytime my head I bow

Becomes a Federal matter now.

Our hair can be purple, orange or green,

That's no offense; it's a freedom scene..

The law is specific, the law is precise.

Prayers spoken aloud are a serious vice.

For praying in a public hall

Might offend someone with no faith at all..

In silence alone we must meditate,

God's name is prohibited by the State..

We're allowed to cuss and dress like freaks,

And pierce our noses, tongues and cheeks...

They've outlawed guns, but FIRST the Bible.

To quote the Good Book makes me liable.

We can elect a pregnant Senior Queen,

And the 'unwed daddy,' our Senior King.

It's 'inappropriate' to teach right from wrong,

We're taught that such 'judgments' do not belong..

We can get our condoms and birth controls,
Study witchcraft, vampires and totem poles...

But the Ten Commandments are not allowed,

No word of God must reach this crowd.

It's scary here I must confess,

When chaos reigns the school's a mess.

So, Lord, this silent plea I make:

Should I be shot; My soul please take!

Amen

If you aren't ashamed to do this, Please pass this on..

Jesus said, 'If you are ashamed of me,

I will be ashamed of you before my Father.'

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, 'Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face.'

'Yes,' the class said.

'Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?'

A little fellow shouted, 'Because your feet aren't empty.'

The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray: 'Take only ONE . God is watching.' Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies. **A child had written a note, 'Take all you want. God is watching the apples...'**
